## Message from the Principal

Festive greetings,  
The greatest Hindu festival is just round the corner and we all are eagerly waiting for a holiday break. Dashain gives us an opportunity to meet our near and dear ones. Holidays provide us the much needed relief from our monotonous routine life. I take this opportunity to advise my dear students, guardians and teachers to be extra cautious about what they eat and drink at Dashain. "We eat to live, not live to eat." Reports show that eating too much of meat can cause various diseases. We surely can not imagine enjoyment at the cost of our valuable health. Therefore, let's eat moderately and enjoy the grand festival to the fullest. Last but not the least, students should not forget to leaf through the books at least once a day so as to refresh their memory on what they learnt in the class.

Words Of Ratan Tata

"If u want to walk fast,  
walk Alone  
But-if you want to walk far  
Walk Together  
How strange it is :  
We wish to wear high brands  
But we feel most comfortable in pajaymas  
We wish to sit in Taj and Marriot with elite people,  
but we enjoy roadside tea with friends and with people we love  
We wish to own bigcars and go on long drives,  
Yet we talk our heart out only while walking ing down a long road.  
We have 64 GB i pods filled with songs but some times a song on the radio brings a Smile that can't be compared"
