घरायसी खाजालाई प्रोत्साहन दिउं

विद्यालयमा पढ्न पठाउँदा बच्चाबच्चीको खाजाको लागि हाम्रा अभिभावकहरूसँग मुख्यत तीन ओटा विकल्पहरु हुन्छन् । १ टिफिनमा घरायसी खाजा राखिदिनु, २ टिफिनमा बजारको तयारी खाजा राखिदिनु र ३. बजारको जे सुकै तयारी खाजा खाउन भनेर हातमा पैसा थमाइदिनु । यतिबेला घरायसी खाजाभन्दा बढ्ता बजारका तयारी खाजाहरु प्रति हाम्रा अभिभावक र विद्यार्थीहरुको आकर्षण बढ्दै गएको छ । त्यस किसिमको तयारी खाजाले हाम्रा बालबालिकामा कस्तो किसिमको असर पर्दछ भन्ने बारेमा हाम्रा अभिभावकहरु बेलैमा सचेत हुनु जरुरी छ ।

बजारमा पाइने तयारी र बासी खाने कुराहरु जिब्रोका लागि तत्काल मीठो हुने भए पनि तिनले बालबालिकालाई कुपोषित बनाउनुका साथै बालबालिकाको स्वास्थ्यमा निकै ठूलो असर पुऱ्याउँदछ । पटक पटक उमालिने तेलमा राखेर पकाइने त्यस्ता तयारी खाने कुराले भविष्यमा गएर हाम्रा बालबालिकामा "अल्जाइमर्स" जस्तो बिर्सने रोग लाग्न सक्छ । पढेको कुरा विसर्दै गए भने हाम्रा बालबालिकाले भविष्यमा यथोचित प्रगति गर्न पनि सक्दैनन् । तसर्थ हाम्रा बालबालिकालाई बजारका तयारी खाजाहरु खान निरुत्साहित गरी घरायसी ताजा खाजा टिफिनमा राखेर पठाउने जाँगर हाम्रा अभिभावकहरुले देखाउनु जरुरी देखिन्छ ।

Message from the Principal

Vijaya Samudayik Shiksha Sadan, having the motto "Our Children Our Future" has covered a long way successfully in spite of numerous ups and downs in the period of two decades. The students who have been showing outstanding performances and remarkable achievements in their academic lives, the dazzling mansion standing and watching communities after receiving full decoration of dainting and painting, about 12 hundred students hustling and bustling around the school premises in order to get quality education, more than 60 teaching and non teaching staff working constantly to beautify the lives of children etc. are the live proofs to show the power of collective effort of the community people in the form of Vijaya Community Education Cooperatives(VICEC). Every person in the localities has the rights to feel proud of it as they have contributed directly or indirectly for its promotion and betterment. Thanks to all of them for their contribution, love and well wishes.

Next, first term exam results have recently been published, I extend my hearty congratulations to the successful students and best of luck to all the students for the next exams. Regarding +2 students, I would like to welcome them to the school to study management and wish them happy and successful life for the next two years. Lastly ,I want to inform all the concerned students and parents that VSSS has a well managed hostel for the needy students. The interested and needy students can join the hostel and carry on their studies.

Thanks.

Bishwa Prakash Neupane
Principal

CONGRATULATION

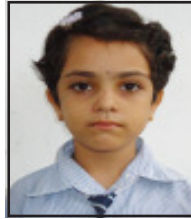

Congratulations to all the students who have passed **First Terminal Examination 2072** and special congratulations to those students who have scored the **First Position** in their respective classes.

पानी

शक्ति यस्को चिन्न सके
उयोग राम्रो गर्न सके
बन्छौं बन्छौं हामी अमिर
जाग्न सके लाग्न सके
पानी बेगर बाँच्दैन कोही
न जीवजनतु वनस्पती नै
बाँच्दा पनि पानी पानी
मर्दा पनि पानी पानी
लान्छन् मरेपछि पनि
जहाँ छ घाट जहाँ छ पानी

बाल गजल

सुन नानी सुन बाबु, सबेरै नै उठ्नुपर्छ
अबेर गर्न हुन्न राती बेलैमा सुत्नुपर्छ ।
पुस्तक, पुस्तीका अनि कलम साथमा लिएर
सवैजना मिलीजुली पढ्नलाई जुट्नुपर्छ ।
आदर गर्नु सदैव माता पिता र गरुको
सानालाई माया गर्नु भन्ने कुरा बुझ्नु पर्छ ।
अहङ्कार त मूर्खहरु गर्दछन् बुझिराख
नम्र भावलाई सधै मनभित्र गन्नुपर्छ ।
सादा जीवन उच्च विचार बनाई है मूल मन्त्र
भन्छन् उनै देवकोटा चन्द्रलोक छुनुपर्छ ।
दिब्या भुषाल

गीत

सोरठीमा खोज मलाई मादलुमा खोज
रोदीघरमा मारुनीको गाजलुमा खोज ।
उकाली र ओरालीमा
फैले छाया भिरालीमा
ढोलकी र खैजडीमा
फैले छाया मुरलीमा
बनेलीमा छाया हुन्छ
तिमी जस्तो होइन मत
जता छोयो तिमी हुन्छ ।

खरीबोटमा खोज मलाई चरीकोटमा खोज
भोट जाने बाटोमुनि भेडीगोठमा खोज ।

हिमफेदीको अँधेरीमा
भिमफेदीको पँधेरीमा
फैले सेतै बुकी फुल्छ
हेपिएको सुखभन्दा

नेपाल

नेपाली हौ सबै हामी नेपाल हाम्रो देश
सबै भन्दा राम्रो लाग्छ मलाई आफ्नै भेषा ।
चौध अञ्चल पचहत्तर जिललामा विभाजित हाम्रो देश नेपाल
नदिनाला, तराई, पहाड, र छन् ठुला ठुला हिमाल
गरमाथाको देश भन्दा मलाई गर्व लाग्छ
नेपालको नाम सुन्दा मनै शान्त हुन्छ ।

Poem Toys

Smiling girls, rosy boys,
Come and buy my little toys;
Monkey made of Ginger bread
And sugar horses printed red.
Sanju Chapagain Class 4 c

Success

Success is what everyone wants to achieve but only a few can find the way to success. Mistakenly most of the students miss their right way in search of short and simple way to success in their exams. But the fact is that there is not short-cut to success and the easiest way to success in the hardest work. You don't need to do many, but two things: first is you should be optimistic, exam is an opportunity to show what you are now. Hope of success makes you able to perform you best and fear of failure makes you nervous and you cannot express even what you know. the next important thing preparation: prepare after every lesson from the start of the session, cramming everything in the eleventh hour will give you confusion and take away confidence. Remember the better you prepare, the better you secure good marks .

Poem My promise

Each day I will do my best
And I won't do any less
My work will always please me
And I won't accept a mess
I will colour very carefully,
My writing will be neat
And I simply won't be happy
Until my papers are complete
I will always do my homework
And I will try on every test
And I won't forget my promise
To do my very best.

हाँसों ल

चुट्किला

पहिलो : मेरो गाउँमा यति चिसो छ, कि दुईवटा सिरक ओढ्नु पर्छ।
दोस्रो : मेरो गाउँमा त चारवटा सिरक ओढेर पनि हिटर बाल्नु पर्छ।
तेस्रो : मेरो गाउँमा त भन यति चिसो छ, कि भैंसीले दुधको साटो कुल्फी पो दिने गर्छ।

Ten Facts About New Second Earth Planet Kepler 452 b

1. It is first exo-planet found which is orbiting a similar star to our sun, known as G2-type star, at a similar distance from its star that Earth is from the sun.
2. It is 60% larger in diameter than the Earth so is considered a super Earth size planet.
3. A year on kepler 452 b is 385 days.
4. The planet is also 5% further a way from its star.
5. Kepler 452 solar system is located 14,00 light years a way from our solar system.
6. The gravity of 452 b would be two times stronger than that of Earth.
7. The star it orbits is 20% brighter with a 10% bigger radius than our sun.
8. 452 b star has the same temperature as our earth.
9. The kepler 452 b solar system is estimated at 6 billion year old.
10. The scientists believe it could have a thick cloud cover, oceans and very active volcanoes
